

Working with LGBTI+ Young People Professional Development

SESSION 1 - Breaking Down the Binary, Rainbow Network

Tuesday 10 October, 10am - 12 noon, followed by a light lunch
Youth ConneXions, Suite 2 Level 1, Box Hill Central

Facilitated by Rainbow Network, this session explores gender and sexual diversity and challenging homo/bi/trans-phobia in youth work and school welfare settings.

Participants will be introduced to key research in this area, and will take the first steps in developing strategies for improving their own practice and service delivery.

SESSION 2 - The Ally Project, YGender

Tuesday 17 October, 10am - 12 noon, followed by a light lunch
Youth ConneXions, Suite 2 Level 1, Box Hill Central

This session will introduce YGender, a peer led support and advocacy organisation established by a group of trans young people who realised there was a need for support and advocacy.

The session will also include gender diversity and inclusive practices as well as information about the What Makes an Ally? project which focuses on fostering positive relationships and encouraging better allyship.

what
makes
an ally?
